ATTENTION!

In winter do not rely on your sat nav for directions as they will indicate the surrounding mountain passes which are closed for snow in winter. These passes are usually open from end of May till beginning of November.

- Passo Gavia** 2621m
(from the province Brescia - Ponte di Legno)
- Passo dello Stelvio** 2758m
(from the province Bolzano) coming from the north
- Passo Umbrail** 2502m
connecting to Val Mustair - Santa Maria (CH)
faster than through the Tunnel Passo del Gallo.
- Passo Forcola** 2315m
St. Moritz – Switzerland going to Livigno
